## April 2020 - 2nd QUARTER SPRINGTIME NEWSLETTER

### **CORONA VIRUS 19 (COVID-19):**

As we transition our lives into the new era of social distancing and staying at home to fight the pandemic we are all experiencing, we are aware that you may have questions regarding your drinking water, below is a link to the EPA website that may answer some of your questions. You can always contact us with questions via email and/or telephone.

### **Online Bill Payment Option:**

There has been a lot of interest by our customers for the District to offer an online bill payment option. There will be a \$2.50 convenience fee that the customer will have to incur if you wish to pay online rather than to pay by check. The \$2.50 fee seems a lot less than getting assessed \$20 for late payment of your quarterly invoice.

**Please note, you can now set up an account through the online billing service and set your payment to recur on a quarterly/monthly basis and not have to keep logging in every time you want to make a payment. If you have questions, please contact us anytime.**

### **Property Transfer Fee Approved:**

At the August 14, 2018 Board meeting, the Board of Directors approved the addition of a property transfer fee of \$150 to the District's Rules and Regulations. The fee is now included in the District's Rules and Regulations, Appendix A, which can be found on the District's website.

We have a closed group on **Facebook**, please come and join the group so you can stay in the loop with various updates, especially water outages. Our Group:
