

JULY 2022 – 3rd Quarter Summertime Newsletter
Happy 4th of July! Stay Safe!

FIRE MITIGATION:

It is nice to see trucks and trailer loads of slash being hauled out of our neighborhoods. Bags of raked stuff line our driveways waiting for pick-up. Clearly our district customers have taken protecting their properties to heart.

A healthy ponderosa forest averages 12-15 trees per acre. Consider removing all the waist high and lower growth and especially the leafy scrub brush that tends to grow around the base of mature ponderosa. These small ground level trees and brush form the “candles” that allow flames to creep up a tree and ignite into the crowns.

Also consider asking tree removal and fire mitigation services to walk your property to obtain a plan and an estimate to bring your land into a safer condition. It will give you an idea of how an expert views your property and provide you with a plan to tackle all at once or in small steps over time. A journey begins with the first step.

House address numbers are still needed on many of the home in the District. Mainly for EMS services rushing to your home, but also for the fire protection services. Black numbers tacked to a tree offer little help to responding emergency teams. A better solution is high contrast between numbers and background, like black numbers on white tiles at the end of your driveway. The time saved finding you could mean the difference between life and death someday.

Summertime is Here!:

That means it’s time to schedule a test of your stop box with Dominic our System Operator. Please contact him to make an appointment at (303) 674-8194.

Outside Watering – Not Allowed:

With summertime here many outside projects are in the works like power washing houses and decks or prepping houses for staining, but please remember outside use of the District water for exterior projects is not permitted.

Thanks for your cooperation!

District Board Meetings:

Board meetings are always open to the public. They are held the 2nd Tuesday of the month at 7pm and are held at the library of Buffalo Park Church of the Hills, 28628 Buffalo Park Rd., Evergreen, CO 80439.

Please note since April 2020 District Board meetings have been held via ZOOM conference call. Please check our District website for conference information.

Online Bill Payment Option:

There has been a lot of interest by our customers for the District to offer an online bill payment option. With the increase in late payment fees that began July 1, 2015, we began to offer online bill payment through our website approximately August 1, 2015. There will be a \$2.50 convenience fee that the customer will have to incur if you wish to pay online rather than to pay by check. The \$2.50 fee seems a lot less than getting assessed \$20 for late payment of your quarterly invoice.

We now have a closed group on **Facebook**, please come and join the group so you can stay in the loop with various updates, especially water outages. Our Group:

Brook Forest Water District – Evergreen, CO
District Website – Come check us out:

Come checkout our District website at www.brookforestwater.org. We post lots of publications that you will find helpful. Our Board minutes, Operator's reports, financial statement audits are just a few documents you will find. In addition, on the home page you will find our meeting agenda's, the current rates and any water shut off announcements. You will find the link to our online bill payment link on our homepage as well.

Emailing Quarterly Invoices:

As outlined in the previous newsletter, we face growing costs as a result of the recession. It reduced available contractors and materials increasing the demand on shrinking resources with the result being higher costs. There is one thing that each of you can do to help facilitate communications and that is provide Nickie with your email address. We would like to move to emailing the quarterly invoices to each and every one of you. There are three or more ways to provide your email address:

- 1.Call Nickie at (800)-544-9903
- 2.Email Nickie at --
brookforestwaterdistrict@gmail.com
- 3.Contact Nickie through our website --
brookforestwater.org
- 4.Write your email address on your statement when you pay it. Your email address would also allow us to provide you up-dates when there are system wide or local issues that affect your water supply, so please help us do a more effective job.

Thank you,

The Board of Directors,

Bill Weisenborn, President
Tony Langowski, Vice President
Bruce Nicklow, Treasurer
Ilse Ramsey, Director
Ted Schlabit, Director
