

## 4th Quarter Newsletter – October 2021

### **Snow Will Soon Arrive:**

As we get closer to the snowy season here in Colorado, please be sure to clear your stop box from any snow over the next few months as it needs to be accessible to our System Operator in case it needs to be shut off or repaired.

### **Wintertime Shut Offs:**

If you will be going out of town during the winter months for an extended period of time (at a minimum one quarter, not more than three quarters), you may request that your water be shut off at the street for non-use. The quarterly fee will be \$60 per quarter, equivalent to our Readiness-to-Serve charge (see Appendix A of the District Rules and Regs on our website). In order for our System Operator (Dominic) to shut your water off, all bills owing on the property must be paid prior to any shut off and the property owner must pay the District in advance for the turn off and turn on fee, in the amount as stated in Appendix A of the District Rules and Regs – see Section 8.09 B. of the District Rules and Regs for further information.

### **District Board Meetings:**

Board meetings are always open to the public. They are held the 2nd Tuesday of the month at 7pm and are held via ZOOM video conference, contact the District Administrator for more information.

We now have a closed group on **Facebook**, please come and join the group so you can stay in the loop with various updates, especially water outages. Our Group: **Brook Forest Water District – Evergreen, CO**
